WHAT IS ANIMAFILM?

Since 2018 ANIMAFILM Festival promotes creativity with animation. We believe that animated films can unite people and make significant changes in our society.

Every year, about 300 films from 50 countries are submitted.
In 2022 more than 100 films were screened at ANIMAFILM.

Animation can do so many things. Animation can be sad and uplifting, harrowing and hilarious. Yes, it's entertainment, but it can also tackle sensitive subjects and challenge your preconceptions. Animation can do all that.

A large crowd of people is gathered at an event, likely a fair or exhibition. In the background, a white banner displays the text "1 BİLET = 1 AĞAÇ" (1 Ticket = 1 Tree) next to a small tree icon. The scene is decorated with warm, golden string lights hanging from the ceiling. The image has a dark, semi-transparent overlay, and the text "Expected visitors" is centered over the crowd.
